For: CYCLIN DEPENDENT KINASE 5 PHOSPHORYLATION
OF DISABLED 1 PROTEIN
Inventors: Curran; *et al*
Our Ref: SI-01-0032

Sir:

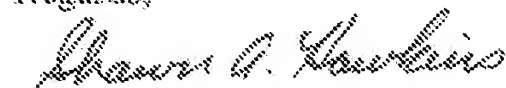

The following documents were electronically submitted on August 23, 2006. After speaking with the Examiner on October 11, I learned that a small portion of the text from these documents was cut off or missing from the USPTO version. On October 13, the USPTO Electronic Business Office recommended that I resubmit the response with an explanation for the resubmission in the transmittal letter.

The following documents that were originally submitted electronically on August 23, 2006, but found to be missing a small portion of text after electronic transmittal to the USPTO, are forwarded again herewith for appropriate action by the U.S. Patent and Trademark Office:

1. Original transmittal letter dated August 22, 2006 (1 page);
2. Amendment and Response Under 37 CFR §§ 1.111 and 1.121 (17 pgs);
3. Petition for One Month Extension of Time (2 pgs); and
4. Notice of Appeal from the Examiner to the Board of Patent Appeals and Interferences (in duplicate) (2 pgs each for a total of 4 pgs).

Any fees identified in the documents accompanying this paper were paid with the original submission on August 23. No fees beyond those are believed to be required. If applicants are incorrect and a fee is required, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 501968.
